To whom it may concern,

I am writing to let you know that I am resigning from my position as Customer Service here at iPloy, effective immediately.

Thank you for the opportunities and support during my time here. This decision was not easy and comes after careful consideration, I have decided to take a break from work for a while to focus on personal matters and reassess my career goals. I believe this is the right time for me to step back and recharge. I have appreciated the opportunities for growth and the valuable experiences I've gained during my time at the company. I've learned a lot and appreciate the experience.

Please let me know how I can help with the transition.

Thank you once again for the opportunity to be part of this company.

Sincerely,
