W	Withdrawal
DR	Dropped

One collegiate unit of credit is one hour lecture or laboratory each week or 1/10th of 18 hours in a semester. Three units of laboratory work, including one a shop work each week of a total of 18 hours a semester was required or equivalent also in one unit of credit.

The semester average grade of a student is computed by multiplying the number of units assigned to a course by the grade earned and the product obtained by the total units earned for the semester.
