Sept 17, 2024

Dear all,

I wish to thank Iploy Philippines for the opportunity to be part of Adapthealth. Such a short time that I have been with your team, I will always cherish the times that I spent with the team.

Working here for the last five months has been fruitful in my personal growth. I will never forget my colleagues, team mates and friends I have made here. I enjoyed my stint here and I will look back with wonderful memories.

I am formally tendering my resignation as a Customer Service Specialist effective today September 17, 2024 for my personal growth.

This isn't goodbye but see you around.
