To whom it may concern,

I am writing to formally resign from my position at iPloy, OPC, effective June 23rd of 2025.

This decision was not easy and took a great deal of consideration. I have genuinely valued my time here and am sincerely grateful for the opportunities I've had to grow both professionally and personally. Working with such a talented and dedicated team has been a privilege, and I will always appreciate the supportive environment and the lessons I've learned along the way.

I am particularly thankful for all the opportunities that my lead and colleagues have taught me, especially the mentorship and training they have put me in. I am also grateful for their guidance when I was still new in the team, which have played a significant role in my career development inside the company.

Please be assured that I am committed to making this transition as smooth as possible. I am happy to assist with the training of my replacement or to help in any other way that supports the team during this time.

Thank you once again for the invaluable experience and for the support you've provided throughout my time at iPloy, OPC. I look forward to staying in touch, and I wish the company continued success in the future.

Warm regards,

MA. DONNA CODERA
