Customer focus  
Leadership  
Engagement of People  
Process approach  
Improvement  
Evidence-based decision making  
Relationship management
- In your current role, how can you contribute to ensure that the Quality Policy is implemented?  
Meeting the requirements of other interested parties at the same time their future needs. One factor also is improvement by that we can be a global competitive organization that enhances the relationship both external providers and customers.
- In your opinion, why is it important to have a Quality Policy in the Organization?  
It is relevant because this is the heart of the organization, by hitting or reaching and implementing this Quality Policy we can make sure not only we could provide the needs of the customer but we can achieve the mission and vision of the company.

**Test II. Fill-in the blanks. Find the answers from the words listed below:**

Top Management      people      interconnected processes      Commitment  
 external providers      QMS      continual improvement

- As an organization, we have made a commitment to understand our current and future customers' needs; meet their requirements and strive to exceed their expectations.

**QMS Awareness Examination**

2. We have committed to achieving Continual improvement across all aspects of our quality management system; it is one of our main annual objectives.
3. As an organization, we recognize that people are the essence of any good business and that their full involvement enables their abilities to be used for our benefit.
4. Our Top Management has committed to creating and maintaining a working environment in which people become fully involved in achieving our objectives.
5. As an organization, we understand that the desired result is achieved more efficiently when activities and related resources are managed as a process or series of interconnected processes.
6. IPLOY, OPC recognizes that an organization and the relationship it has with its external provider are interdependent and a mutually beneficial relationship enhances the ability of both to create value.
7. As an organization, we have committed to only make decisions relating to our QMS following an analysis of relevant data and information.
