Dear Mr. Ross Rellen,

I regret to inform you that I am resigning immediately from my position as Customer service representative for the reason that I'll be going back home to my hometown for good.

I cannot thank you enough for the opportunities this company has provided me, working here for a while and has been incredibly instrumental for me to have personal growth within IT/BPO industry. I will never forget the colleagues and friends that I have made here.

Thank you so much for your understanding in this matter. I have loved my job even for a short span of time, and I will look back on my time here with some memories.

This resignation letter will be immediate and effective, November 29, 2024.

Best regards,

Nicolyn Santiago
