Dear Employee Relations,

Please accept this letter as formal notice of my resignation from my position as Customer Service Representative at Iploy Staffing Solutions effective January 31, 2025.

I appreciate the opportunities I have had while working at [Iploy Staffing Solutions], and I am grateful for the experience and knowledge gained during my time here. However, We have encountered Some unresolvable Problems and it needed us to have go there back in manila Due to my parent's threaten us that if we will not go there they will look for us. This personal problem occurred due to my partner's inheritance and we are afraid to not be able to solve this problem. We want to stay at this company as much as possible because this company gave us opportunity when we badly needed a work and iploy gave it to us. I hope that this immediate resignation letter will understand our current position we are facing right now.

I will do my best to ensure a smooth transition of my responsibilities to return everything including my identification card everything that iploy gave me. Just let me know when can I process the exit clearance for me to have atleast good record at this beautiful company

Thank you again for the opportunity to work at [Iploy Staffing Solutions]. I wish the company continued success in the future.

Sincerely,

Shery Larca Seguer
