 1. Customer focus  
 2. Leadership  
 3. Engagement of people  
 4. Process approach  
 5. Improvement  
 6. Evidence-based decision making  
 7. Relationship management
- In your current role, how can you contribute to ensure that the Quality Policy is implemented?  
As an employee, I will make sure that Quality Policy will be followed in the best of my ability and be efficient on the responsibilities given to me.
- In your opinion, why is it important to have a Quality Policy in the Organization?  
It is important that we have a Quality Policy in the organization to ensure that we are consistent with the organization's purpose, to make sure that we stay committed in satisfying applicable customers', regulatory & legislative requirements. This is also important so that we will improve as an organization.

**Test II. Fill-in the blanks. Find the answers from the words listed below:**

Top Management      people      interconnected processes      Commitment  
 external providers      QMS      continual improvement

- As an organization, we have made a commitment to understand our current and future customers' needs; meet their requirements and strive to exceed their expectations.

**QMS Awareness Examination**

2. We have committed to achieving continual improvement across all aspects of our quality management system; it is one of our main annual objectives.
3. As an organization, we recognize that people are the essence of any good business and that their full involvement enables their abilities to be used for our benefit.
