iPloy OPC

Hello Miss Iris and Miss Ramelyn,

I hope this message finds you both well.

With a heavy heart, I am writing to formally inform you of my immediate resignation from my position at iPloy OPC, effective today, July 30, 2025.

This decision was not easy, but due to my current financial situation, I am left with no choice but to seek other opportunities that will help me better support my family. I truly wish I could have stayed longer, but the reality of our circumstances sometimes calls for difficult but necessary choices.

I want to sincerely thank you both for the support, guidance, and kindness you've shown throughout my time here. I've learned so much over the past year, and I'll always be grateful for the experience and the friendships I've built. I will forever cherish the happy moments, laughter, and lessons that came with being part of the iPloy family.

Wishing you and the whole team continued success.

Warm regards,

  
Regine Mae J. Ortiz
