Dear iPloy,

I hope this letter finds you well. I am writing to formally tender my resignation from my position at iPloy, effective today 11-08-2024.

The reason for my resignation is due to a personal family matter. My aunt, who also serves as my nanny, was rushed to the hospital on October 30th. Unfortunately, she had to return to the hospital shortly after being discharged, and following her second discharge, she has been advised to take two weeks of bed rest. Given her condition, she will no longer be able to care for my son, and as a result, I must prioritize my family responsibilities at this time.

I want to express my gratitude for the opportunity to work with iPloy and for the support I have received under the leadership of my team, especially my TL, Candice Villaceran. This was not an easy decision, but my family's needs require my immediate attention.

Thank you for your understanding, and I hope to leave on good terms. I will do everything I can to ensure a smooth transition before my departure.

Sincerely,  
Elton P.
