

To whom it may concern,

I hope this letter finds you well. It is with a heavy heart that I submit my resignation from my position at iPloy, effective April 10, 2025.

This decision was not easy, but after careful consideration, I have come to the conclusion that I should prioritize my physical and mental health at this time. Unfortunately, the demands of my current condition made it difficult for me to perform my duties effectively and maintain an excellent attendance.

I am deeply grateful for the opportunities I've had during my time at iPloy, as well as for the support and guidance provided by my Team Lead and teammates. I value the experiences and relationships I've gained these past six months.

I am committed to making the transition as smooth as possible and will be available to assist with anything I can do to help finalize the process.

Thank you once again for everything and I wish the company continued success.

Sincerely,

A handwritten signature in black ink, appearing to read 'JR.' with a stylized flourish.
