

JEAN KYLA JAYME

INTRODUCTION

Detail-oriented Computer Science major with an entry level foundation in C-programming and two years of experience as a freelancer specializing in academic writing, video editing, and research. Proficient in tools like Canva, MS Office, and video editing software, with a passion for leveraging technology to create impactful solutions. Eager to apply my technical skills and creative problem-solving abilities in a dynamic role within the tech industry, where I can contribute to innovative projects and continue to grow professionally.
