Hi Team,

Greetings!

With a heavy heart I would like to resign as a PAP Adherence Specialist, effective today July 30, 2025.

I, Clarice Mayne Rabaya with Employee ID 5139, residing at Proper Pangdan, City of Naga Cebu. Would like to formally resign in the company. My journey in iPloy is beyond great, I had supportive leads and team that helped me build my skills and career.

It wasn't easy, but I had to let this go as I will be migrating to US. Im sorry if Im unable to process my exit and clearance, as it requires me to be there personally but by now I'm already traveling to US

Thank you for the knowledge and skills, God speed.

Sincerely,

Clarice Mayne Rabaya
