# RHONA MARIANNE ARCILLA

## PROFILE

I am a recent Science, Technology, Engineering, and Mathematics (STEM) year 12 graduate, eager to apply knowledge and gain practical experience by working part-time as an online English tutor on an international English educational platform. I aspire to become a nursing student, leveraging my ability to forge compassionate connections to deliver exceptional care in the future. I am recognized for my distinguished reputation, characterized by diligent effort, unwavering punctuality, adept interpersonal finesse, and a steadfast commitment to continuous learning and growth.

## WORK AND EXPERIENCE

### Online English Teacher

2023 - PRESENT

NativeCamp, Tokyo, Japan

- Adapted diverse teaching methods to boost student focus.
- Prepared lesson content and delivery in line with curriculum guidelines.
- Built relationships with students through ongoing feedback and friendly conversation, improving student retention by 98%.
- Transformed complex concepts into understandable, useful information for improved subject comprehension.
- Prepared comprehensive feedback and revision plans for students.
- Created vibrant learning atmosphere through interactive exercises and discussions.
- Guided students to gain more fluency by proactively correcting pronunciation and grammar mistakes.

### Medical Work Immersion Student

May 2024

Southwestern Medical Center, Cebu City, Philippines

- Assisted medical technologists, nurses, and healthcare staffs with routine patient care tasks, such as taking patient vital signs, and assist with patient interaction.
- Shadowed healthcare professionals to observe clinical procedures.
- Carried out duties in strict compliance with company standards and policies.
- Reflect on experiences and seek feedback to foster personal and professional growth.
- Attended laboratory activities, enhancing knowledge relevant to coursework.
- Listened intently to lectures and took detailed notes covering topics.
- Researched topics outside of class to learn additional information and asked more knowledgeable questions.

## HOBBIES AND INTEREST

- Reading books to enhance vocabulary
- Cooking new recipes
- Engaging in physical fitness routines and practicing yoga.
- Journaling and writing
- Animal stewardship including dog/cat grooming, feeding, walking, and training
