I hope this message finds you well. It is with a heavy heart that I submit my formal resignation from my position(patient pay) as Agent.

Due to a sudden family emergency in Negros Oriental, I need to return home as soon as possible to attend to urgent personal matters. I appreciate the opportunities for growth and learning that have been provided to me. The experiences and skills I've gained here will always be an important part of my professional and personal journey.

Thank you once again for your understanding and support. I leave with so much gratitude I wish the company continued success in all its endeavors.

Sincerely

Trisha Labora Del Villar
