## About Me

I am a independent and also dependent person in such ways i am very easy to be approached and also teachable in many ways. I also love playing sports which is one of my hobbies. I am so flexible at any kind of work due to my experience outside and inside of the field i am working in. I am so teachable in many ways in which I am famished in learning and exploring things that is new to me in which i stay focus on imporving with
