To whom it may concern,

Please accept this letter as formal notice of my resignation from my position as agent at iPloy, effective immediately.

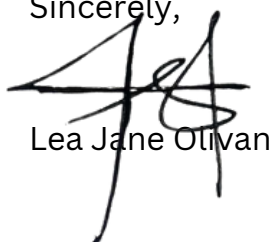

I wanted to share with you the reasons behind my decision. It's been incredibly challenging for me to be so far from my family, and homesickness has been taking its toll on me. Being away from loved ones has made it difficult for me to maintain a healthy work-life balance.

Additionally, I've found it difficult to feel supported by our team leader. Unfortunately, her lack of understanding of our processes has made it hard for us to rely on her guidance. This has created a tough environment for our team, and I've found it increasingly challenging to continue in this role.

I appreciate the opportunities I've had while working at iPloy, and I'm grateful for the experience and knowledge gained. However, I feel that it's in the best interest of my well-being and career to move on.

Thank you for your understanding, and I wish the company continued success in the future.

Sincerely,

Lea Jane Olivan
