January 24, 2025.

Dear TL Sera,

Please accept this letter as formal notification that I am resigning from my position as an agent at iPloy, effective January 24, 2025.

This was not an easy decision. I've realized that my current work style and the demands of the role are not entirely align, and especially my attendance is not well. My detail-oriented approach sometimes hinders my ability to quickly grasp new information and adapt to changing priorities. While I believe these are areas I could improve eventually, I feel it's best for me to pursue opportunities that better align with my learning style and current needs.

I appreciate the experience and opportunities I've gained during my time at iPloy. Thank you for your understanding.

Sincerely,

  
Kirsty Lawrence Nuevo
