Test I. Instructions: Answer the questions in the spaces provided for.

1. What is the name of the Seminar?

Quality Management System

2. What are the two clauses mentioned under the scope of our Management System that is not covered in our QMS?

clause 8.3 Design and development of products are not covered in the quality management system scope because the organization does not design and develop any design and develop process. Clause 7.1.5 Monitoring and measuring resources is not covered in the quality management system because the organization uses any monitoring or measuring resources to verify the conformity of products and services to requirements.

3. What are the seven (7) Quality Policy of iPloy that were mentioned in the seminar?

Customer focus

Leadership

Engagement of people

Process Approach

Improvement

Evidence-based decision making

Relationship Management

4. In your current role, how can you contribute to ensure that the Quality Policy is implemented?

It is important that we meet and even exceed, the expectations of the customers.

5. In your opinion, why is it important to have a Quality Policy in the Organization?

The existence of a Quality Policy allows an organization to set standards that would enable them to run and scale the business to its full potential, all while providing the best products and services to its customers or clientele. Without any form of Quality Management, the entire organization will struggle maintaining a harmonious and productive relationship between all sub-parties involved.

Test II. Fill-in the blanks. Find the answers from the words listed below:

- Top Management
- people
- interconnected processes
- Commitment
- external providers
- QMS
- continual improvement

1. As an organization, we have made a commitment to understand our current and future customers' needs; meet their requirements and strive to exceed their expectations.

QMS Awareness Examination
