Team Lead

Iploy Staffing Solution Inc., OPC

Ayala Center Cebu Tower

Dear TL,

I must inform you with a heavy heart that I have decided to resign from my position at iPloy. I am moving forward not to a different company but to a different country and path. This is the biggest news I received recently, and it is a once-in-a-lifetime opportunity that has been in the works for more than 17 months.

Please accept this letter as my formal resignation, effective today, **February 17, 2025**.

I would like to thank you and the team for your time, support, and effort during my time as a trainee. I deeply appreciate what you've done and what you've given.

My decision is final and I hope to leave iPloy on good terms. I wish you and everybody else involved all the best.

Sincerely,

Myles Dominique Maata
