

Dear iPloy HR Team,

Please accept this email as formal notification of my immediate resignation from my position as Sleep Coach - PAP Phones at iPloy, OPC.

I have unexpectedly been offered a unique and rare opportunity to work for the government at the Regional Trial Court in Toledo City, which I have decided to accept. This new role requires me to begin immediately.

I want to express my sincere gratitude for the opportunity to have been part of the iPloy team. I truly enjoyed my time here, and I'm especially thankful for the support and guidance of my team lead and the camaraderie of my colleagues. My time with the team was a wonderful experience, and I'll always value the friendships and professional relationships I built.

Please let me know if there's anything you need from me to ensure a smooth transition during my exit. I wish iPloy, OPC. and my former colleagues continued success.

Warm regards,

Zyke Daniehl P. Villanueva
