To iPloy Management:

Kindly accept this as my formal resignation from being a customer service representative teammate, effective immediately today (April 30, 2025).

I've been thinking about this for a while now due to my declining health. I haven't had enough sleep for quite some time. As much as I want to continue working, I need a break and prioritize my health.

I am immensely grateful for the opportunity to work with you, it was such an incredible journey and experience. I also want to express my warmest gratitude for helping me outgrow what I've become. Your perseverance in harnessing my skills to the field of work I've gone through has made me the person I am now. You've been supportive throughout my time with you. I also want to thank the people in my department, especially my team, who made the job worth enduring. I will forever cherish every moment that we had in my entire life.

I wish you nothing but continued success with all the employees you have helped. Best wishes,

Vhimar Comendador
