Ed Pogado
Team Leader
Asset Recovery

I am writing to formally resign from my position, effective immediately.

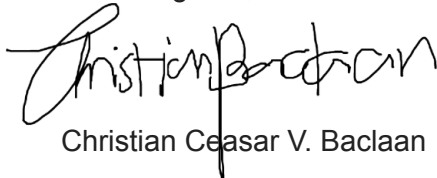

After careful consideration, I have determined that my current work schedule is causing health concerns that I can no longer overlook. Although I value the opportunities and experiences I've had here, I must prioritize my well-being and make this difficult decision to step away.

I want to ensure a smooth transition and am committed to following the company's clearance procedures in full. Please let me know what steps I need to complete in order to fulfill these requirements and to secure my employment certification. I will promptly return any company property and complete any necessary documentation to facilitate this process.

Thank you sincerely for the support, guidance, and opportunities you've provided during my time with the team. I appreciate everything I have learned and am grateful for the chance to have worked alongside such talented colleagues.

Wishing the team continued success.

Warm regards,

Christian Ceasar V. Baclaan
