Archbishop Reyes,

To whom it may concern,

I hope this message finds you well. Please accept this letter as formal notice of my resignation from my position as Asset & Recovery here in iPloy, immediate and effective today March 13, 2026.

This decision has not been easy for me. However, after careful consideration, I have realized that I need to prioritize my mental and physical health at this time. Taking a step back from my professional responsibilities will allow me to focus on recovery and well-being.

I am truly grateful for the opportunities, experiences, and support I have received during my time with the company. Working with the team has been a valuable and meaningful experience, and I appreciate the guidance and collaboration I've had here.

During my remaining time, I will do my best to assist with the transition and ensure that my responsibilities are properly handed over.

Thank you for your understanding and support. I wish the company and the entire team continued success in the future.
