Dear HR Manager,

I hope this letter finds you well. It is with a heavy heart that I tender my resignation from my position as CSR - Phone at iPloy OPC, effective May 15, 2025. My Employee ID number is 5467.

Due to a serious health issue that my father is currently facing, I am left with no choice but to step away from my responsibilities at work to care for him. As my parents are separated and there is no other immediate family member available to provide the necessary support, I feel it is my duty to be there for him during this difficult time.

This was not an easy decision to make, as I have greatly valued my time with the company and the opportunities for growth and learning I've received. I am truly grateful for the support and camaraderie I've experienced here.

Thank you for your understanding.

Sincerely,

Oliver R. Marcelino
