One collegiate unit of credit is one hour lecture or recitation each week or a total of 18 weeks in a semester. Three hours of a laboratory work, drafting or shopwork each week or a total of 54 hours a semester are regarded as equivalent also to one unit of credit.

The semesteral average grade of a student is obtained by multiplying the number of units assigned to a course by the grade earned. The sum of the product is divided by the total number of units earned by the students for the semester.
