iPloy,

Good Day!

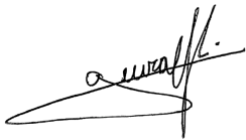

This is to formally resign from my position at iPloy. This decision comes after careful thought, prompted by ongoing health concerns and my family's advice. While I have not yet had a formal medical check-up due to current circumstances, I've been experiencing symptoms that require rest and attention. My family and I have agreed that stepping away from work for now is the best course of action to prioritize my well-being.

I am truly grateful for the support and opportunities I've had during my time here. It has been an honor to be part of the team, and I appreciate the understanding and kindness extended to me throughout my stay.

Please let me know how I can help ensure a smooth transition in the coming days.

Thank you for your understanding and support.

Sincerely,
