To whom it may concern,

I am writing to formally submit my immediate resignation from my position at iPloy OPC, with immediate effectivity.

Due to the recent and rapid deterioration of my medical condition, I am no longer able to continue performing my duties. After consulting with my healthcare provider and my family, I have decided to return to the province so I can prioritize my treatment, recovery, and long-term healing. Because of the urgency of my health situation.

I sincerely appreciate the opportunities, trust, and support that iPloy OPC has given me during my time with the company. It has been a privilege to work with you and the entire team.

Thank you for your understanding and compassion during this difficult time. I wish the company continued success, and I am grateful for your support as I focus on my health.

Sincerely,

Ian Abong
