Resignation Letter

To whom it may concern:

I hope this letter finds you well. I am writing to formally resign from my position as Customer Service representative at IPLOY Philippines, effective today.

I would like to address my recent absence that I got sick at that time as part of this resignation. Due to circumstances where I am no longer able to return to my assigned account. After careful reflection, I realized that continuing under this arrangement would not be aligned with my current professional direction.

After much consideration, I have decided to pursue opportunities with other companies that offer clearer pathways for career growth and greater financial stability, which I believe are important for my long-term professional development.

I want to express my sincere gratitude for the opportunities I have had at IPLOY in a short period of time. I've truly valued the experience, the support from my team, and the chance to grow both personally and professionally.

Let me know how I can assist during this period in making the transition of responsibilities as seamless as possible for everyone involved.

Best regard,

Blair C. Noval
