

Hello Team,

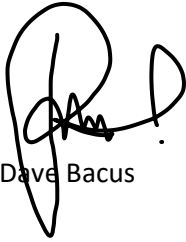

I do really apologize for this is so quick effective Feb 10 2026, I officially resign to the company.

Due to my situation right now, and I know that my PEME has need to re-evaluate because I am not that perfectly fit. (Obsessed & high blood gene with my Dad).

I have a scoliosis and it went to bad that my back pain truly hurts every time I went to sleep. (Sa my back hip Siya perme mag sakit) It's clearly shown on my X-ray. I just notice it now that it become worst than before. If only I knew in advance that it will happened like this, I should not apply and just stay at home for recovery.

I believe I need to rest for now and thank you so much for allowing me to experience joyfully sa work.

Sincerely,
