

To whom it may concern,

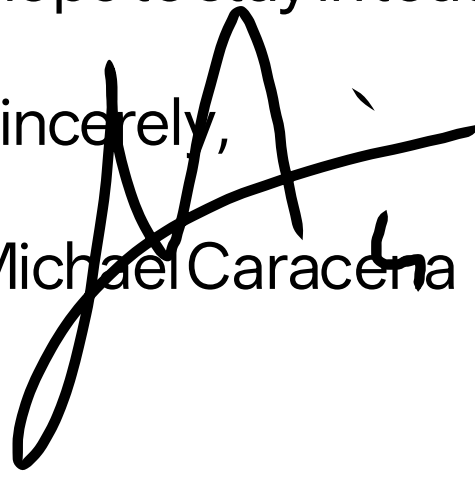

Please accept this as formal notice of my resignation from your company. Effective today, February 20, 2026.

I have recently accepted a new opportunity that aligns more closely with my long-term career objectives in Technical Support role. While I am excited about this next step, I am incredibly grateful for the opportunity and chance to be part of the company and to experience the culture and values that you have.

I hope to stay in touch and wish the entire team and company the best.

Sincerely,

Michael Caracena
