Dear Boss,

After careful thought and consideration, I have decided to resign from my position as Adapthealth Patient-pay teammate with iPloy Staffing Solutions effective January 17, 2023.

Although there is much to say, I believe the reasons leading to this decision are known to my health reasons and other issues and I will therefore leave them unsaid at this time.

I'd like to thank you for providing me with an opportunity to develop my skill set while gaining a new work experience.

I wish you, and the entire team at iPloy the best of luck in the future.

If I can be of any assistance during this transition, please let me know.

Sincerely,

REGALE DHANNA DURANGO CUTAMORA
