Greetings!

It is with reluctance that I'm submitting this resignation letter.

Although I have worked at IPLOY, OPC for the past 2 years and 4 months. I am unable to see myself continue to perform well in a restrictive work environment.

Additionally, I do not see any potential for advancement or professional growth at IPLOY, OPC anymore and have, therefore, accepted a position where my skills and expertise can be optimally tapped.

It is with regret that I ask you to accept this as my resignation from Intake Specialist with IPLOY, OPC effective this 30th of September 2022.

Sincerely,

Angela Jane C. Secong
