Dear Management,

I am writing to inform you of my intention to resign as one of your company agent in Intake Department effective today September 8, 2022 due to health issue.

I have been recently feeling sick and my body is always weak that I've always mentioned to my call-ins. I am seeking medical attentions now so that it will not bother me in the future again. My doctor advised that I take some rest as my body is still healing. Apart from the doctor's advice, I have also noted a steep deterioration in my own health and physical strength.

Of late, I have been unable to run up and down and perform my day to day chores as smoothly as I have always been. That to, necessitated my decision to step down from active duty till my conditions improve.

I must admit that I have enjoyed my stay here. The warm ambiance, charming workmates, and conducive working environments have all etched some indelible mark on the fibers of my heart. I will really live to reminisce and cherish them in the long run.

Sincerely,
Jude Padilla Rodriguez
