Dear Sir / Madam,

It's been a great opportunity working in IPLOY for the past 2 years and 6 months, I have been so thankful, honor and privileged to be a part of this company. I could never exchange to anything else the experiences I had with the people around me and the knowledge I gained as well. My experience was wonderful.

Unfortunately, there have been some realizations on my part lately and after serious thought I decided to leave the company effective today, February 17, 2023 to take another path of my career.

Once again, thank you for making me a part of the company and for all the valuable lessons it had taught me.

Thank you.

Respectfully Yours,

Mary Judy Ann V. Brigoli
