4.0	Conditional
5.0	Failed
NG	No Grade
NC	No Credit
W	Withdrawn
DR	Dropped

One collegiate unit of credit is one hour lecture or recitation each week or total of 18 hours in a semester. Three hours of laboratory work, drafting, or a shop work each week or a total of 54 hours a semester are regarded as equivalent also to a unit of credit.

The semestral average grade of a student is computed by multiplying the number of units assigned to a course by the grade earned and the product divided by the total units earned for the semester.

Remarks : EVALUATION PURPOSES
