To whom it may concern:

I am writing to formally announce you of my resignation from my position here in iPloy as CSR under 60 MC RESTART DEPARTMENT, effective immediately today.

This was not an easy decision to make. The past months have been very rewarding. I have enjoyed working with you and the team. I am regretfully resigning due to health complication. My doctors and I feel it would be the best to remain focused on recovering, which, unfortunately, includes stepping down from my duties at iPloy, as I am unable to meet the expectations as agent while struggling with this illness.

I appreciate the opportunities you have given me over the years. After a period of consideration, I have decided to pursue a different job opportunity. I have been struggling to go to the office for health reasons since WFH setup was not granted to us.

I would like to give the most important consideration to myself which is working in my safe space, under a healthy working environment. Thank you for the support that you have provided during my stay with the company. I greatly appreciate your years of guidance.

Sincerely,

  
SHERLYX NACORDA
