To Whom It May Concern;

This is to inform you regarding my resignation effective on the 18th of January 2023. Working in your good company for how many months has been a wonderful experience and a great learning in my field of campaign. Thus, I am saddened to leave the company because of health issues, my Medical Doctor cannot provide fit to work this time. I have scheduled doctors appointments and badly really needs full attention on it.

The best experience that I have learned from this company shall be cherished and I will bring this as my weapon through my daily ventures.

Sincerely,

SIRTHO SALES
