To whom it may concern,

Good day!

This letter presents my official notice of resignation from from my position as Compliance Specialist effective immediately.

I made this decision, not because I am unhappy with my job nor with the company. Actually people here are very nice and friendly. I had so much fun working in this company.

Honestly, the reason why I am resigning from my position is because my pay can no longer sustain our needs specially our Sitio is set for demolition and we need a huge amount if money to settle for our own house soon. I need to take over our expenses since my dad has issues with his knees and there were days where he can't report to work.

I would finally like to thank you for the experience you have given me working with iPloy OPC, my apologies for being unable to give you my notice period. Wishing you every success for the future, Best Wishes

Sincerely,
John Capangpangan
