To whom it may concern,

Please accept this letter as my notice of formal resignation as effective immediately.

I sincerely apologize for the abrupt timing of this announcement. However due to my pregnancy, I have decided to resign. I notice my self that I cant do well my task since Im always having dizziness, sleepiness and not feeling well during my work hours. My pregnancy is a bit sensitive also coz I'm having PCOS both ovaries, my lower right abdomen always hurts.

Thank you for the opportunities you have given me. They have prepared me well for the challenges ahead, and I am grateful.

Please let me know how I can be of assistance during the transition period. I wish you and the company the very best going forward.

Sincerely,

PATRICIA ANN N. ABIAR.
